SCHOOL PER CAPITA FOR THE STATE.

The school per capita for the public schools of the State was announced on Friday last as \$3.40. This is 19 cents higher than it was last year. This will be good news for all parents who have paid and hardworking teachers of the public schools of the State.

APPOINTMENT OF OFFICERS FOR JEFFERSON COUNTY.

County Judge W. P. Lincoln, on Monday, appointed the following officers for Jefferson county, to serve until the election in November: Sheriff—A. Scott Bullitt. County Clerk—Phil B. Thompson. Coroner—Dr. Ellis Duncan. County Attorney—Robert Lee Page. Surveyor—Emile Prasoff. Jailer—J. R. Pfanz. Assessor—John M. Adams. Of the new appointees Messrs. Pfanz and Adams were members of the old ticket which the Court of Appeals declared were not elected in November, 1905.

RESISTED OFFICER.

Three of the workmen employed on the New Capitol, resisted Officer George McDonald, on the South Side, while the officer was trying to arrest a drunken man, just after midnight, on Saturday night. They had succeeded in getting the officer to the ground and were beating him up when three young men, who were passing, came to the assistance of the officer and succeeded in taking the men to the workhouse.

In the melee the first man arrested made a successful snail and got away. The men answered for their fun before Judge Herndon, on Monday afternoon.

LOUISVILLE APPOINTMENTS.

Mayor Bingham, the new Mayor of Louisville, appointed Mr. W. W. Davis Mr. John Stites and Judge Jas. P. Gregory as the new Board of Safety, on Friday evening.

The Board, immediately afterwards, appointed Col. Jno. H. Haeger Chief of Police, to succeed Col. Sebastian Gunther. He is a splendid officer.

Col. Haeger was formerly in that position, but was let out by Mayor Granger because he was an advocate of Mr. T. L. Jefferson for Mayor when Granger was nominated.

On Saturday Mayor R. W. Bingham appointed Mr. Jas. B. Brown, Mr. W.

N. Cox and Mr. T. J. Humphreys as the new Board of Public Works. The Board immediately appointed Mr. B. L. Howe as City Buyer, to succeed Mr. Harry Bishop.

REPUBLICAN CAMPAIGN COMMITTEE.

The Republican State Central Committee and candidates on the State ticket have appointed Col. Albert Scott, Mr. John C. Wood and Hon. A. S. Bennett the Campaign Committee of that party. Mr. John C. Wood will have charge of the speakers' bureau.

Prof. Jackson was president of the institution for eleven years and resigned to become President of the Lincoln Institute, at Jefferson City, Missouri.

One of the days we remember with pleasure, as well as with profit to our health, is the one on which we became acquainted with Dr. King's New Life Pills, the painless purifiers that cure headache and biliousness, and keep the bowels right. 25 cents. At all drug stores.

INSPECTING RURAL ROUTES.

Under orders of the Postoffice Department, Postmaster George L. Barnes has been making a rigid inspection of the four rural free delivery routes leading out from this city, this week.

This is done with a view of increasing the usefulness of this branch of the government service, and getting a good line on such improvements as he may find needed or for the benefit of the patrons of the office.

FISH AND GAME LAW HELD CONSTITUTIONAL.

Mr. L. F. Johnson, sitting as special county judge, on Wednesday, in the suit of Newton Dean and others (who had been arrested by Game Warden Claude Duvall, for violating the law by using nets in fishing), held the law constitutional, but also decided that only the nets in actual use at the time of the arrest could be destroyed.

Dean had several nets that were not in use, which were seized and he sued to recover them.

(For the Roundabout.) WHO GAVE HIM THE CONTROL?

I clip the following from the Courier-Journal of Monday last. I am moved to ask the reverend orator when he was given control of the 700,000 colored voters of this country, and who made him the umpire as to whether the President was doing right by the colored voters?

"The Rev. Dr. S. L. Caruthers, colored, says: 'There are about 700,000 negro voters in this country, and we intend to force the President to do the right thing by us or turn the whole line into the Democratic party.'"

I rather guess he would find that the colored voters think and act for themselves.

COLORADO VOTER.

"I'll stop your pain free. To show you first—before you spend a penny—what my Pink Pain Tablets can do. I will mail you free, a trial package of them—Dr. Shoop's headache tablets. Neuralgia, headache, toothache, period pains, etc., are due alone to blood congestion. Dr. Shoop's headache tablets simply kill pain by coaxing away the unnatural blood pressure. That is all. Address Dr. Shoop, Racine, Wis. Sold by all druggists."

ANOTHER BIG SHIPMENT OF CATTLE.

Mr. Simon Well, the big cattle buyer, shipped over two splendid carloads from Jettis, on Monday. He purchased the stock from Mr. Sam A. Mason, paying \$1.14 cents per lb. They were good ones and were exported.

STOCK LAW TO BE ENFORCED.

Warrants were sworn out, on Monday, against a number of persons in the Thorn Hill neighborhood, charging them with violating the law for billeting stock to run at large upon the public roads of the county.

The law has been persistently ignored, and it will now be strictly enforced.

Stock owners on the West Side had better take due notice and govern themselves accordingly.

FARMER'S

AFTER MANY YEARS.

The congregation of the Clinton Street Colored Baptist Church, after nearly eight years of trial and legal battling, are at last about to come into their own. When they first purchased the lot, on the corner of High and Clinton streets, from Mrs. Kate Rogers, and let the contract for the building to the late Mr. Mike Buckley, they were annoyed by warrants issued against their pastor and the trustees (Rev. R. H. C. Mitchell, D. D., being the pastor), and every effort was made to prevent the work being done.

The officers sued out an injunction to prevent interference by the city authorities. This injunction was dissolved by Judge Cantrill. An appeal was taken and Judge Settle rendered an opinion sustaining the injunction and making it perpetual.

And now, after these years of toll and disappointment, with a new pastor, Rev. W. T. Silvey, these humble people are going "to arise and build" their new church, which will be modern in all its details and a very handsome structure.

Judge J. D. White, a former Judge of the Court of Appeals, said of this case, several years ago, that "it was the first time in all his experience upon the bench, that he ever heard of a church of Jesus Christ being denounced as a nuisance."

Free, for catarrh, just to prove merit, a trial size box of Dr. Shoop's Catarrh Remedy. Let me send it now. It is a snow-white, creamy, healing, antiseptic balm. Containing such healing ingredients as Oil Eucalyptus, Amyol, Menthol, etc., it gives instant and lasting relief to catarrh of the nose and throat. Make the free test and see for yourself what this preparation can and will accomplish. Address Dr. Shoop, Racine, Wis. Large jars 50 cents. Sold by all druggists.

IT WOULD BE A MISTAKE.

The proposition to make the room (now used by Labrot & Graham as an office) as a police station, and to install the patrol wagon and horse in that place, would, in our judgment, be a mistake. The fumes from the stable would render the Council Chamber and the Opera House very undesirable and unpleasant.

The Opera House is not, even now, what it should be, and to make a part of the same building a stable would be the limit.

It ought not to be done, even if it will save a little money.

ANOTHER OLD AND BELOVED CITIZEN PASSES AWAY.

A dispatch was received in this city, on Tuesday afternoon, announcing the death of Mrs. Maria A. Murphy, widow of the late Mr. Joseph Murphy, of New Orleans, La., aged 76 years, which occurred in Louisville.

Mrs. Murphy was the oldest daughter of the late Mr. Alex W. Macklin, and was born and reared near the Forks of Elkhorn. In early life she united with the old Forks of Elkhorn Baptist Church, and had lived a quiet, earnest, modest Christian life.

When a young woman she was married to Mr. Joseph Murphy, of New Orleans, La., and went there to reside. Her husband was a cotton broker.

There were given to them four children (three daughters, Mrs. John W. Rodman and Miss Jo Murphy, of this city, and Mrs. Jos. S. Bryan, of Louisville, and one son, Mr. John T. Murphy, who was accidentally drowned while en route to Alaska.)

After the death of her husband Mrs. Murphy returned to this county and resided on her farm for several years. Later she bought a residence on the corner of Wapping and Wilkinson streets, in this city, and had lived there until about a year ago.

After the tragic death of her only son, as stated above, Mrs. Murphy seemed to lose her hold on life and steadily failed. Some months since she went to Louisville to make her home with her youngest daughter, Mrs. Jos. S. Bryan.

For the last month or so Mrs. Murphy had generally broken down and the end was not unexpected. But she was ready for the change, and gently and quietly as she had lived she laid her tired head upon her Saviour's breast and "fell on sleep."

She was a member of the First Baptist Church, of this city and the funeral services were conducted by her pastor, Rev. Dr. M. B. Adams, from the residence of her son-in-law, Mr. Jno. W. Rodman, at 3:30 o'clock, on Thursday afternoon, and the remains were laid away in the family lot in our cemetery.

Besides her children she leaves three sisters (Mrs. Fannie Harboe, Mrs. Elizabeth Robb and Mrs. Lydia Back) and one brother (Mr. A. W. Macklin), and a very large circle of relatives and friends to mourn her departure.

We have known Mrs. Murphy all our life, and admired her for her gentle and kindly nature and purity of life.

Heaven is richer and earth poorer by her death.

DISGRACEFUL CONDUCT.

We regret very much to be compelled to chronicle the fact that the conduct of a large number of the young men composing the two companies of National Guards (who went to Jamestown Tuesday night) was simply outrageous.

Those citizens who live near the armory could not obtain any rest or sleep until the trail had left after 12 o'clock that night.

Crowds of the men, under the influence of intoxicants, paraded the streets cursing, swearing, yelling, and, on several occasions, fighting.

The officers seemed utterly unable to control the men, and there was a regular altercation between one of the officers whang frankhtg fganabttbm officers and squad of the men in front of our office, which looked very much like serious trouble for a long while.

We earnestly hope that such conduct may never occur again.

A HAPPY MAN

Is Amos F. King, of Port Byron, N. Y. (85 years of age); since a sore on his leg, which had troubled him the greater part of his life, has been entirely healed by Bucklen's Arnica Salve; the world's great healer of sores, burns, cuts, wounds and piles. Guaranteed by all druggists. Price, 25 cents.

DEMOCRATIC NOMINEE.

Hon. John D. Carroll, of Henry county (now serving as Judge of the Court of Appeals by appointment to fill out the term of Judge Cantrill), was given the Democratic nomination for that office on Wednesday by the committee of that party, no other candidate having announced for the position.

We doubt if he has any opposition at the general election in November.

Billions? Feel heavy after dinner? Tongue coated? Bitter taste? Complexion sallow? Liver needs waking up. Doan's Regulator cures billions of attacks. 25 cents at any drug store.

CYNTHIANA AND HARRISON COUNTY GO DRY.

After a very bitter fight, the local option election was held, on Thursday last, in the county of Harrison and city of Cynthiana. The result was that the city reversed its last vote and went dry by 47 majority and the county nearly 2,000.

"One by one the roses fall." The whisky men of Cynthiana bent themselves by some very foolish actions.

RAILROAD EDUCATION.

(Wall Street Daily News.)
If the agitation concerning the railroads does nothing more it will educate the country up to some idea of what railroad means. The majority of the people seem to be under the impression that the receipts of the railroads from passengers and freight traffic must of necessity be large and therefore privileges should be given more cheaply. Governor Hughes, President Finley and many others who have common sense as well as some knowledge of the matter and a sense of fairness, have openly stated that legislation as well as agitation has been carried on, without either adequate knowledge or any attempt to gain any. Certainly the attacks made by shippers and demagogues have resulted in replies of far more value to the nation than the attacks could have warranted. W. J. Murphy, Vice President of the Queen & Crescent Route, in his reply to the statement of the Receivers' and Shippers' Association, of Cincinnati, is an example of this. His road was charged

with earnings of \$2.82 per freight train mile, whereas other roads averaged \$1.89. On the face of this a demand would be made for reduction—it has already been made. Mr. Murphy now points out what others either have not known or have ignored, that the freight trains of that road are hauled by two engines instead of one, as is the case on other roads, entailing, naturally, far greater expense per freight train mile. Further it is shown by figures, that while expenses have increased in the cost of labor and materials during the past two years, receipts have actually shown a decrease per mile in freight as well as passenger returns. It is also clearly demonstrated that the majority of the earnings have returned into the property in the shape of extensions, improvements and other needed advancements. These matters should be given the same prominence in the various newspapers the country over which the critics are received. Evils which have crept in must be corrected, but time alone will have to do that. In the meantime, the American sense of justice should hurry a little faster to the front, and Americans should not allow their most important industries to be played upon for political purposes.—Cincinnati Enquirer July 7, 1907.

A like notice of the same degree conferred by Georgetown College, gives the name of Dandridge C. Freeman, Jr., of this county.

Warning is given of the appearance of cholera in the city and advising a total abstinence of all vegetables.

The advent of this dread disease was noticed at Covington, Paris, Mayville, Lexington, Irvine and other towns in Kentucky.

Judge Martin D. Melleny had just been appointed circuit judge of the Frankfort district, and held his first term of court.

Thos. A. Lindsey and Robt. W. Scott were candidates for delegate to the Constitutional Convention of 1850.

President Taylor issued a proclamation fixing the first Friday in August as a day of humiliation, fasting and prayer that the country might be delivered from the pestilence of cholera.

Mr. John W. Pruett, Sr., was elected the Worshipful Master of Hiram Lodge, No. 4, A. Y. M. A. G. Hodges, Secretary.

Messrs. Henry Wingate and Harry I. Todd were insurance agents.

The Diana was the regular packet running to Cincinnati, with Capt. E. B. Perry in command.

The packets Sea Gull and Blue Wing were the Louisville packets.

The Lexington and Frankfort Railroad was the only railroad in Kentucky.

The closing exercises of Rev. Dr. Stuart Robinson's school took place on Thursday, July 12, and the school reopened Monday, August 6th. Rather short vacation that.

In reading over the pages of this splendid old time paper, the loved faces and sweet music of the days that are gone come rushing before us and ring in our ears as a sad refrain.

"We never shall see their like again."

ACCIDENT AT THE CAPITAL TRAMWAY.

While out riding on the Lawrenceburg pike, on Wednesday Mrs. R. W. Noel and Mrs. E. S. O'Hara happened to a serious accident, which occurred on this wise. As they were returning to the city and had reached the bridge over the tramway leading to the river from the new capitol, the car was coming up from the river, and their horse became frightened and whirled around, upsetting the buggy and throwing both ladies out. Mrs. Noel had a gash cut in her head and Mrs. O'Hara had her ankle badly sprained.

Assistance was rendered and the ladies were brought to their homes. Mrs. Noel's injuries were not serious, but Mrs. O'Hara will be confined to the home for some time.

The horse, which was a very gentle one, did not run after seeing what caused its fright, or the result might have been more serious.

PICNIC AT TACKETT'S

The children of the First Presbyterian Church Sunday-school had a delightful picnic at Tackett's Grove, on the F. & C. Railway, on Thursday.

A special train was run, leaving at 8 a. m. and returning at 5 p. m.

The little ones, and their older chaperones, had a nice time.

NARROW, ESCAPE FROM DEATH.

On Tuesday last, Alex Aldrich, an employee of the Ford-Johnson Co., was out on a shift, when his clothing caught on the shaft and he was whirled around it several times and finally thrown to the ground when the machinery was stopped.

It was found that Aldrich was badly hurt, one ear being almost torn off, a bad wound on his chest, an arm wrenched and otherwise bruised.

Surgeons were at once summoned and attended to his injuries, after which he was taken to his home on Holmes street.

The accident is to be regretted from the fact that the young man is, with another brother, the only support of a widowed mother.

It is hoped that he may pull through.

LONG LIVE THE KING.

Is the popular cry throughout European countries; while in America the cry of the present day is "Long live Dr. King's New Discovery, King of Throat and Lung Remedies!" of which Mrs. Julia Ryder Paine, Truro, Mass., says: "It never fails to give immediate relief and to quickly cure a cough or cold." Mrs. Paine's opinion is also shared by a majority of the inhabitants of this country. New Discovery cures weak lungs and sore throats after all other remedies have failed; and for coughs and colds it's the proven remedy. Guaranteed by all druggists, 50 cents and \$1.00 bottles. Trial bottle free.

GUN PLAY AT OLD CROW.

Clarence Samuels and Gilbert Taylor, two employees of the Old Crow distillery, became involved in a scrap over a game of craps, on Wednesday, when Samuels shot Taylor in the right shoulder.

KENTUCKY MILITIA RANGE.

Capt. Jackson Morris, who has charge of the coaching of the Kentucky National Guard team, which is to take part in the National Shoot, at Port Clinton, Ohio, has succeeded in locating the practice range at the Uetisch place (formerly known as the Collins place), two miles from the city, on the L. & N. R. R.

The men to be selected will be taken from a picked detachment of 50 men each from the three regiments of National Guards, and will be camped at the range.

The men finally chosen for the team will be those who demonstrate their ability as sharpshooters.

The range will doubtless prove an attractive place for our young people, while the guardsmen are there.

Thirty Days Was My Life's Limit. Agony From Inher- ited Heart Disease. Dr. Miles' Heart Cure Cured Me.

One person in every four has a weak heart. Unless promptly treated a weak heart will easily become a diseased heart. A little extra strain from any cause is sufficient to bring on this deadly malady, the most common cause of sudden death. Dr. Miles' Heart Cure will tone up the heart's action, enrich the blood and improve the circulation.

"My trouble began with catarrh and I have always supposed it caused the trouble I have experienced with my heart. I had the usual symptoms of sleeplessness, lost appetite, constipation, palpitation of the heart, shortness of breath and pain around the heart and under left arm. My mother suffered in the same way and I suppose mine was an inherited tendency. At one time I was in agony. I suffered so severely and became so weak that my doctors said I could not live thirty days. At this time I had not slept over two hours a night on account of nervousness. The least exercise, such as walking about, would bring on palpitation and fluttering of the heart so severe that I would have to give up everything and rest. Nerve and Liver Pills cured me of constipation and heart symptoms disappeared under the influence of Dr. Miles' Heart Cure. I am in better health than I have been in twelve years and I thank Dr. Miles' Remedies for it. I think they are the grandest remedies on earth and I am constantly recommending them to my friends."—Mrs. L. J. CANTRELL, Washachie, Tex.

OPENS OFFICE—HARD AT WORK.

The Kentucky Highlands Railroad Co. has opened an office in the Capital Hotel, on Ann street, and has Engineer R. A. Dudley in charge.

The contractors for the road, Messrs. Mason, Hanger & Coleman, are hard at work on the road, and are making good progress on the worst piece of road they will have to build, that along the Woodson hill, below the mouth of Glen's creek.

They are excavating the roadway above the line of the Glen's creek pike, and are compelled to throw all the earth and rock they excavate below the pike and next to the river.

The contract calls for the completing of the road to Millville by the last of December.

The contractors are old hands at railroad building, and are hustling. They have over 100 men and a big corps of teams at work.

HEAVIER RAILS BEING LAID.

The Traction Company is putting down a seven inch girder rail along the line of the road on Second St. This was rendered necessary by the very heavy hauling which is being done on the line now that it has connection with the L. & N. yards on the West Side.

RUSHING THINGS.

The work of laying the rails on the Frankfort and Versailles, Interurban line has been commenced. The workmen are laying the track on the Versailles end of the road, and are rushing along as fast as possible. Only two fills of any extent are yet to be made.

It looks now like the road will be ready to run by the time set by the management—September 15th.

That will be a great day for both Frankfort and Versailles.

WHY CAN NOT WE HAVE A FAIR AS WELL AS THE COLORED FOLKS?

The energetic colored people of this city and county are hard at work on the arrangements for their fair, which will be held some time in August. They made a success of the last fair and they will doubtless do so this time.

We are moved to ask why the white people of this county do not hold a fair of their own?

Time was in the not very distant past, when Franklin county held a very successful fair. It only succumbed when made incident to races.

The train will leave, as usual, at 7 a. m. sharp. Returning the train will leave Cincinnati at 6:10 p. m., arriving at home by good bedtime. Fare for the round trip only \$1.25. There was a big crowd went two weeks ago. It is expected that an equally large one will go tomorrow.

AWFUL EXPLOSION ON BATTLESHIP GEORGIA.

Quite a flurry of excitement was created in this city on Monday, when the news came that a terrible explosion had occurred on board the U. S. Battleship Georgia, killing several and wounding a large number of others of the crew.

It seems that the big vessel was at target practice in Massachusetts bay, when a case of powder exploded in the hands of a gunner in an "after imposed target," killing a lieutenant, a midshipman and four men and wounding fifteen others of the crew.

Midshipman Harry J. Abbott, of this city, son of Col. Ed. E. Abbott, of the K. D. & W. Co., is on duty on the Georgia, and great uneasiness was felt by his family and friends until the names of the killed and wounded were ascertained.

Ordinary Seaman Carl Lewis, of this county, was a member of the crew of the Georgia, and his friends were alarmed until the later news was received giving the names of the killed and injured.

It is supposed, that a spark from a smokesack caused the explosion. Lieutenant Goodrich, who was killed, was the son of Rear Admiral Goodrich, commandant of the New York Navy Yard.

A rigid investigation has been ordered by the Navy Department.

F. & C. BRAKEMAN HURT.

Mr. L. E. Burdin, a brakeman on the F. & C. R. Co., lost his balance and fell between the cars of a freight train, at Switzer, breaking his right leg in two places, between the knee and hip joint. He was taken to his home at Paris.

What Ails You?

Do you feel weak, tired, despondent, have frequent headaches, coated tongue, bitter or bad taste in morning, "heart-burn," belching of gas, acid risings in throat after eating, stomach gnaw or burn, foul breath, dizzy spells, poor or variable appetite, nausea at times and kindred symptoms?

If you have any considerable number of the above symptoms you are suffering from **biliousness**, and liver with indigestion. **Dr. Pierce's Golden Medical Discovery** is made up of the most valuable medicinal principles known to medical science for the permanent cure of such abnormal conditions. It is a most efficient liver invigorator, stomach tonic, bowel regulator and nerve strengthener. The "Golden Medical Discovery" is not a patent medicine or secret nostrum, a full list of its ingredients being printed on its bottle-wrapper and attested under oath. A glance at its formula will show that it contains no alcohol, or harmful habit-forming drugs. It is a fluid extract made with pure, triple-refined glycerine, of proper strength, from the roots of the following native American forest plants, viz: Golden Seal root, Stone root, Black Cherry bark, Queen's root, Bloodroot, and Mandrake root.

The following leading medical authorities, among a host of others, exist the strongest roots for the cure of just such ailments as the above symptoms indicate: Prof. R. R. Rathbone, M. D., of Jefferson Med. College, Phila.; Prof. H. C. Wood, M. D., of Col. of Pa.; Prof. E. M. Hale, M. D., of Hahnemann Med. College, Chicago; Prof. John King, M. D., Author of American Dispensatory; Prof. J. M. Squire, M. D., Author of Specific Medicines; Prof. Lawrence Johnson, M. D., Prof. T. L. Felt, of N. Y.; Prof. Finley Ellingwood, M. D., Author of Materia Medica and Prof. in Bennett Medical College, Chicago. Send name and address, Postal Card, to Dr. J. C. Pierce, Buffalo, N. Y., and receive free booklet giving extracts from writings of all the above medical authorities and many others endorsing in the strongest possible terms, each and every ingredient of which "Golden Medical Discovery" is composed. Dr. Pierce's Pleasant Pellets regulate and invigorate stomach, liver and bowels. They are made in conjunction with "Golden Medical Discovery" if bowels are much constipated. They're tiny and sugar-coated.

OLD KENTUCKY BARBECUE AT JAMESTOWN EXPOSITION.

JAMESTOWN, VA.—"Colonel" R. C. Hieatt, sheriff of Franklin county, Kentucky, and the "greatest barbecue man in the Blue Grass State," has been at the Jamestown Exposition several days making arrangements for the barbecue, which will take place on the Kentucky reservation July 16—Kentucky Day.

Several thousand people will be at the celebration, for the entertainment of whom Commissioner Ousley, of the Kentucky delegation, has laid in a great variety of supplies, consisting of twelve or fourteen heaves, veals and lambs.

One of the principal features of Kentucky Day will be the making of a great pot of "barbecue." This stew is a typical southern dish, and one of the finest ever invented. All kinds of meats—from beef to chicken, from lamb to squirrel—are put into it, while fifteen or twenty vegetables are likewise included.

While it is probable that no military review will be held in connection with the celebration, the members of the Third Kentucky Regiment, 700 in number, under Colonel Jett Henry, of Hopkinsville, Ky., will be among the guests, acting as guards and attendants at the Kentucky reservation.

Immediately after the barbecue a reception will be held on the reservation, at which several prominent Kentucky orators will deliver addresses.

Weak Kidneys

Weak Kidneys, surely point to weak Nerves. The Kidneys, like the Heart, and the Lungs, are the great organs of the body, and it is the nerves that control and strengthen them. Dr. Shoop's Restorative is a medicine specifically prepared to reach these controlling nerves. To doctor the Kidneys alone, is futile. It is a waste of time, and of money as well.

If your back aches or is weak, if the urine is scant, or if you have any of the symptoms of Bright's or other distressing or dangerous kidney disease, try Dr. Shoop's Restorative a month—Tablets or Liquid—and see what it can and will do for you. Druggists recommend and sell.

BENSON.

The rains of Tuesday, Wednesday and Thursday were very welcome, again refreshing the crops of all kinds and caused the farmers to take heart of hope again.

An electrical storm of unusual severity visited this section Wednesday, sending asunder huge trees. A tree in the yard of Mr. Dolan Hoover was struck. Another on a farm adjoining was torn apart, and yet another not more than fifty yards from the home of Mr. Sam Laceyfield was rent from top to bottom, tearing loose several panels of fence near.

We don't complain.

When the Lord sends rain, And the tanks in the sky run over, For rain, you know, Makes corn blades grow And gives a life to the clover.

But we would like to dispense with the thunder and lightning, or at least we would rather the next wonderful demonstration of this wonderful power would be a little further away.

THE CHARMING WOMAN

is not necessarily one of perfect form and features. Many a plain woman who could never serve as an artist's model, possesses those rare qualities that all the world admires; neatness, clear eyes, clean, smooth skin and that springiness of step and action that accompany good health. A physically weak woman is never attractive, not even to herself. Electric Bitters restore weak women, give strong nerves, bright eyes, smooth, velvety skin, beautiful complexion. Guaranteed by all druggists. 50c.

"CHRISTMAS."

Let me mail you free, to prove merit, samples of my Dr. Shoop's Restorative, and my Book on either Dyspepsia, The Heart, or The Kidneys. Address me, Dr. Shoop, Racine, Wis. Troubles of the Stomach, Heart or Kidneys, are merely symptoms of a deeper ailment. Don't make the common error of treating symptoms only. Symptom treatment is treating the result of your ailment, and not the cause. Weak Stomach nerves—the inside nerves—means Stomach weakness, always. And the Heart, and Kidneys as well, have their controlling or inside nerves. Weaken these nerves, and you inevitably have weak vital organs. Here is where Dr. Shoop's Restorative has made its fame. No other remedy even claims to treat the "inside nerves." Also for bloating, biliousness, bad breath or complexion, use Dr. Shoop's Restorative. Write for my free Book on Dr. Shoop's Restorative. CORKERS AND TWISTERS.

By Mrs. O'Houlihan.

One of the best evidences reflected by the prosperity now existing among the industrial classes of Frankfort is in the character of dress now worn by the laboring people and their families as compared with that of ten years ago.

It was a hard matter then for the mechanics or day laborers to lay aside enough from his uncertain weekly wages to buy a new hat or a new pair of shoes, to give his wife or daughter a new figured calico dress or hat with one lone flower, or to even replace his own tattered working clothes by those of more substantial stuff.

But now things are changed. The working man has his clothes of strong and durable material, for both shop and outdoor duty, and neat overalls to protect them. On Sunday and holidays he wears the best makes, with hat and shoes to match, and on the street appears as neat and presentable as the best specimens of "upper tenendum." His wife and daughters are equally evident in dresses of fashionable cut and finish, and the happy smiles that wreath their faces indicate that the demon of "want" is not to be found at their homes. They can even sometimes spare money enough to hire a "rig" and take the children out to see the meadows and green fields and the sheep and horses and cattle in the country.

The drug stores of Frankfort can not be charged with combining and confederating in the establishment of any fixed scale of prices. In fact, there is a beautiful variance in the matter of drug store charges. For instance, one drug store charges 15 cents for 48 grains of baracac acid in water; another charges 25 cents for 32 grains of the same acid in water, whilst another charges only 5 cents for 48 grains of the acid without the water. So one drug store charges five cents for a pound of copperas, while another drug store will only give you 1/4 of a pound for the same money. And again, one drug store charges 15 cents for three trionel powders, of 15 grains each, whilst another charges 25 cents for three of the same powders of 12 grains each. Guessing the cost of a prescription is like telling the age of a horse by its teeth.

Betting is now at odds in favor of the McClure Business Block making a finish ahead of the new L. & N. depot, and bets are even that the New State Capitol will enter the home stretch a length ahead of the new depot.

An amusing story is told of an episode in which Gen. D. W. Lindsey and the late Capt. Sanders were participants. With others present, the group had been standing where the high cliffs of the Kentucky river, with their benches of rock were plainly visible. The conversation bore upon the sea shells, the petrified mollusks and other creations that were deposited with the rocks in their high altitude, and of which some of the strong layers were even formed. "Why," exclaimed Gen. Lindsey, "you see that big ledge near the top

of the cliff? The water was once up to and over that ledge."

"That can't be so," emphatically exclaimed Capt. Sanders, "for I have been steamboating up and down the river for fifty years and it has never been up there to my knowledge."

WHEN HER BACK ACHES

A Woman Finds All Her Energy and Ambition Slipping Away.

Frankfort women know how the aches and pains that come when the kidneys fail to make life a burden. Backache, hip pains, headache, dizzy spells, distressing urinary troubles, all tell of sick kidneys and warn you of the stealthy approach of diabetes, dropsy and Bright's disease. Doan's Kidney Pills permanently cure all these disorders. Here's proof of it in a Frankfort woman's words:

Mrs. T. Thornton, of 533 Short St., Frankfort, Ky., says: "A constant dull, aching pain across the small of my back caused by my kidneys has annoyed me for years. On account of this and for the fact that my back has been so weak, I have not been able to do any hard work about the house at all. There was a difficulty with the kidneys secretions which was a constant irritation. They were irregular, unnatural and scalded. Doan's Kidney Pills were recommended to me so highly that I got a box at J. W. Gayle's drug store. They certainly helped me in every way, for I felt better than I had in a long time. I have no hesitancy in recommending Doan's Kidney Pills to any one suffering from kidney trouble of any kind."

For sale by all dealers. Price, 50 cents. Foster-Milburn Co., New York, sole agents for the United States. Remember the name—Doan's—and take no other.

Miss Willina Smith, of Elizabethtown, is the guest of Mrs. C. W. Saffell for a few weeks. Then she will go to the College of Music, Cincinnati, for the coming year to take up voice culture again.

MASONIC GRAND MASTER VISITS HIRAM LODGE.

Historic old Hiram Lodge room, in the Masonic Temple, was filled with an enthusiastic crowd of brethren of the mystic tie, on Thursday evening, the occasion being the visit of Hon. Saml. K. Veech, of Carlisle, Grand Master of the State.

The solemn and impressive degree of Master Mason was conferred upon Mr. Scott Brown, the work being done by Mr. Veech.

Mr. Brown is one of the tallest and most athletic specimens of fine Kentucky manhood to be found in the State.

The Grand Master made an informal and instructive talk, which was just to be pointed and met the hearty concurrence of the brethren.

After the Lodge work was closed, frappe, ice cream and cake were served, and every one present went home feeling that it was good to be there.
